AGENDA

Morning Session:

One-on-One Meetings

Foundant representatives will be available to schedule customized meetings on specific subject areas. Foundant will publish a list of scheduled meetings so peer Councils can attend if interested.

Grant & Program Reporting

Foundant is hoping to facilitate a meeting between members of NEH, the Federation and Councils to discuss how data gathered in online grant reports can be aggregated and delivered to meet various reporting needs.

Afternoon Session:

Welcome & Foundant Update

Co-Founder Daren Nordhagen will facilitate introductions between attendees and provide a brief update on activities at Foundant.

Humanities Council Peer Demonstrations

Representatives from Councils using Grant Lifecycle Manager will present on specific topics. Foundant will solicit presenters from existing customers based on successful real-world implementations. Attendees will learn tips & tricks from other Councils and Foundant experts.

Grant Lifecycle Manager Upgrade Training

Training session on the latest features soon to be available in the production version of Grant Lifecycle Manager.

New Feature Prioritization & Focus Groups

Brainstorming session to help Foundant determine top priorities for future product development activity.

Product Demonstrations

Councils that are currently not Foundant customers will have the opportunity to view detailed product demonstrations, including direct examples of how other Councils have implemented Grant Lifecycle Manager to assist with management of grants & programs.

Cocktail Reception
